MARYLAND
FAMILY
NETWORK

MARYLAND'S CHILD CARE RESOURCE CENTERS

Every community in Maryland is served by one of thirteen regional Child Care Resource Centers (CCRCs). Together, these Centers make up the Maryland Child Care Resource Network (MCCRN), which provides leadership and services designed to improve the quality, availability, and affordability of child care in communities across the State. The CCRCs that comprise the Network provide training opportunities and technical assistance to child care providers throughout Maryland. This innovative public-private partnership was initiated in 1989 and is administered by Maryland Family Network under a contract with the Maryland State Department of Education.
