

National Professional Development Center on Autism

Participants will take part in a two-day virtual training to:

- learn about the NPDC model;
- learn about program quality for autistic students;
- select and scale goals to monitor progress (goal attainment scaling);
- understand and select evidence-based practices to address a goal;
- implement foundational evidence-based practices to address key areas of need for autistic students (e.g., independence and adaptive skills, social-communication needs, school readiness and academics, and interfering behaviors); and
- develop an action plan to enhance quality and the use of evidence-based practices in their setting.

Upcoming event dates:

- Training 1: June 29 and June 30 from 9:30 a.m. until 6:00 p.m.
- Training 2: August 14 and August 15 from 9:00 a.m. until 5:30 p.m.
